GENERAL INFORMATION ABOUT ADMINISTRATION OF COSTS

No refund shall be given on any permits \$100 or less unless the permit is issued in error by the County.

No more than 50% of building, electrical, plumbing, fire, gas or mechanical fees shall be refunded.

No refund shall be given on plan review fees or administrative fees.

For residential projects, the minimum permit fee is required at the time of application. This fee is non-refundable. This fee will be credited to the Building Permit Fee if permit is obtained before expiration of the application.

For commercial projects, one-half of the permit fee is required at the time of application. This fee is non-refundable. This fee will be credited to the Building Permit Fee if permit is obtained before expiration of the application.

Refunds shall only be released to the property owner unless otherwise stated in written notarized notification from the property owner that the refund can be released to someone else.

No refund shall be given on permits over one hundred eighty (180) days old from date of issuance or if construction has been started unless the permit is issued in error by the County.

Building Permits shall become null and void if construction is not started and a valid inspection called for within one hundred eighty (180) days from the issue date. Building Permits are void if work described thereon has not been completed within three hundred sixty-five (365) days from issue date.

An administrative charge of \$2.00 will be assessed on each permit for demolition/clean-up of unsafe structures.
